Milk Request

In our continued efforts to reduce waste, Chestnut Grove will serve organic milk during lunchtime -- ONLY to those children whose parents request that we provide them with milk as their beverage. We will continue to have water as the main beverage of choice. Due to a new Maryland state regulation, we *are not allowed* to serve other beverages sent from home. We encourage you to pack a healthy lunch, limiting the quantity of snacks and sweets.

If you choose to send in a treat to be shared with your child's class for a birthday, that treat will be served at lunch unless your child is in one of the full-day classes. In that case, the treat will be shared during the afternoon snack time. Please be considerate of food allergies in your child's classroom.

- I request that my child be offered organic* milk with lunch.
- I request that my child be served water with lunch.

*Our thanks to Chestnut Grove's Parent Board for providing organic milk for our children.

Photography/Multimedia Opt Out

This school year, your child may be photographed for birthday and holiday celebrations, class parties, field trips, school-sponsored events and for curricular purposes occurring during school hours and school functions. Pictures are displayed on our bulletin boards, in class memory books and in publications on behalf of Chestnut Grove CDC, and on the internet including but not limited to our website, online social media sites and web-sponsored online photo albums. If you do not want your child photographed by Chestnut Grove staff, please indicate so below, so that it can become a part of your child's school record.

Please note: Though we can, and do urge parents and other non-staff members to be discreet when taking and posting photos from Chestnut Grove, the school cannot be held responsible for their actions. Please be considerate of others when working with your photos. If you post photos and must post names, use only first names, not last names.

Also, please be advised that opting-out of the photo opportunities list above does not apply to the professional photographs taken on the school picture days in September.

- I give permission for my child to be photographed by Chestnut Grove staff during school-sponsored activities and learning experiences. Photographs of my child may be shared in the ways mentioned in the first paragraph above.
- I do not want my child to be photographed during school-sponsored activities and learning experiences.
