

Dear parents,

During the school year, your child may be photographed for birthday celebrations, class parties, field trips and for curricular purposes. Pictures are displayed on our bulletin boards, in class memory books and in publications on behalf of Chestnut Grove Day School. If you **do not want** your child photographed, please sign below so it can become part of your child's record.

If you have any questions, feel free to contact me at 410-592-9122 or through email at [hdoyle@chestnutgrovechild.org](mailto:hdoyle@chestnutgrovechild.org) I appreciate your prompt attention to this matter.

Sincerely Yours,

Helen Welde Doyle  
Director

**I do not want** my child to be photographed during school sponsored activities and learning experiences.
